

## Exploring Intertidal Puget Sound Program Registration

Hello,

The Environmental Science Center offers a complete **Exploring Intertidal Puget Sound program**, which includes a 1 hour classroom presentation and a 1.5 hour guided field study investigation.

### **Classroom Presentation & Field Study**

This program introduces students to the local Puget Sound beach habitat and the organisms that live there. Beach etiquette and stewardship are stressed! The classroom presentation includes a PowerPoint presentation and a focus specific field guide activity. The field study will be performed at Seahurst Beach.

*Teachers will choose from four possible focus areas:*

- 1: **“Who Am I?”**- Identification of Marine Invertebrates (Grades K-2)
- 2: **“Who’s My Neighbor?”**- Intertidal Zones (Grades 3-4)
- 3: **“Who’s My Dinner?”**- Predators and Prey of Marine Invertebrates (Grades 4-6)
- 4: **“Who’s My Relative?”**- Organize Marine Invertebrates by Phylum (Grades 7-12)

*All four focus areas can be delivered as a classroom only session.*

**Grades: K-12.**

You choose the topic that meets the needs of your grade level.

We often deliver this course at **Seahurst Beach**. A different site may be selected. Beach etiquette and stewardship are stressed!

**Cost:** \$50 for the 1 hour pre-trip class and \$150 for the 1.5 hour beach trip per each group of 30 kids for a total of \$200 per class. If your school has 50 % or greater reduced or free lunch rate your course fee may be waived ([please request waiver](#)).

**Materials Cost:** If ESC delivers more than one program to a class that qualifies for Free ESC courses in the school semester; then a \$25 materials fee will be charged per class.

**Busing:** [You need to arrange and pay for transportation for this field trip](#)

**Chaperones:** During the field study, we would like students put into groups of 10-12 with two chaperones for each group.

Select a focus area and fill out the following registration form Email to [programs@envsciencecenter.org](mailto:programs@envsciencecenter.org)

Or mail to the address at the bottom of the page.

## Exploring Intertidal Puget Sound Program Registration

School Name:  
School Address:

Teachers Names:  
Contact Email:  
School Phone #:

Your Home Phone #:

**Group registration is encouraged! Speak to your fellow teachers and sign up together!!**

Grade: \_\_\_\_\_  
Total # of kids: \_\_\_\_\_ (90 student maximum without prior approval)

Area of Emphasis \_\_\_\_\_

- 1: ***"Who Am I?"***- Identification of Marine Invertebrates (Grades K-2)
- 2: ***"Who's My Neighbor?"***- Intertidal Zones (Grades 3-4)
- 3: ***"Who's My Dinner?"***- Predators and Prey of Marine Invertebrates (Grades 4-6)
- 4: ***"Who's My Relative?"***- Organize Marine Invertebrates by Phylum (Grades 7-12)

***Classroom Presentation: If registering with other teachers, please allow for 15 minutes of transition time between classes!***

Date: \_\_\_\_\_ Time (1 hr): \_\_\_\_\_

***Field Study Location: Seahurst Beach***

Date: \_\_\_\_\_ Time (1.5 hrs): \_\_\_\_\_

Free or Reduced Lunch Rate for your school: \_\_\_\_\_ %

**Costs:** With a rate > 50%, the Environmental Science Center will waive the cost of the course. Without a waiver, total program cost is \$200 for this program.

**Materials Cost:** If ESC delivers more than one program to a class that qualifies for Free ESC courses in the school semester; then a \$25 materials fee will be charged per class.

**Billing:** An invoice will be sent upon scheduling the course.

**Thank you!**

**"Our programs conform to the 2009 Scientific Field Investigations specified in the OPSI."**
